Opening hours

Our opening hours are: Monday till Friday from 8 am till 5 pm.

Emergencies

In case of an emergency during practice hours please call: **0252-680900**.

For emergencies in the **evening, at night and during in the weekend** please call the Huisartsenspoedpost Haarlemmermeer. (Spaarnepoort 1, Hoofddorp, location Spaarnegasthuis), phone: **023-2010333**.

Please pay attention, you should always make an appointment in order to be seen by a doctor!

Making appointments and home visit request

You can make an appointment and request home visits by calling. Normally you will be booked for the same day if you call before 10 am. **Due to the amount of incoming calls in the morning we kindly request you to keep the conversations short.**

Appointments with the general practitioner are on the first floor, take a seat in the waiting room.

Appointments with the assistant and nurse practitioner are on the ground floor.

You can take a seat in the waiting room.

Medical results and information

For the results of medical tests and information you can call between 11:00-12:30 am or 13.30-17.00 am.

You are supposed to **call us** for medical test results.

To renew a prescription

Call the pharmacy between 9 am and 12 am (phone: 0900-4433222) or by internet:

mijngezondheid.net, de Medgemak app of Service Apotheek app

You can pick up the medication the next day at the pharmacy.

Practice assistants

The assistants run their own consultation hours for: first aid, blood pressure controls, cervical smear, treatment of warts, travellers advice and vaccination.

Appointments with the assistant are on the ground floor.

POH

In the Pionier there is a nurse practitioner (POH) employed. The POH is a certificated nurse, who treats medical target groups (like diabetes, asthma/COPD, high blood pressure, the elderly). The treatment is always under supervision of your general practitioner.

Appointments with the nurse practitioner are on the ground floor.
